Coverage Definitions

Regulatory Legal Expense Coverage

Provides coverage for legal costs associated with having to respond to a complaint or appear at a disciplinary hearing with a provincial regulatory organization or agency. In the event of a complaint or investigation, members are provided with superior legal representation and defence protection. Examples include complaints alleging professional misconduct, incompetence, or incapacity.

Criminal Defence Coverage

Coverage will reimburse insured members for defence costs associated with a case filed under the Criminal Code if the professional service was rendered in Canada and the member is found 'not guilty' of the criminal charge.

Sexual Abuse and Counselling Fund

All options include a maximum funding of \$25,000 for the rehabilitation and therapy of a person who, while a patient, suffered abuse in the course of an insured member's practice.

Loss of Earnings

If you are asked to attend a trial, pre-trial, or appeal to assist in the defence of your claim, requiring time off work, you will be reimbursed for your loss of earnings up to \$750/day.

Extended Reporting Period

The policy automatically covers you at no additional cost for up to seven years while you are on extended leave, maternity/parental leave, or have retired or discontinued practice. Please note that you must renew your insurance and have an active policy in place before returning to practice.
